from a business trip to Florence.
VISITS GLOBE—E. E. Kirk, attor-
ney, of the Arizona School of Law,
left yesterday morning with a party
of friends, on an automobile trip to
Globe.

**CHECK ARTIST HELD TO
ANSWER**—Harry Knight, who seems
to have quite a few other names, was
given a hearing in Judge Johnston's
court yesterday and was held to answer
in the sum of \$1,000.

HERE FROM DALLAS—C. L.
Wakefield of Dallas Texas president of
the Commonwealth Trust company of
Texas is a business visitor to Phoenix.
He will be here for three or four days.
GOVERNOR TO FLORENCE—Gov-
ernor Hunt and a party of friends will
visit the state prison at Florence to-
day remaining over night at the peni-
tentiary. He will return Sunday even-
ing.

FATTY HUSS STILL HERE—Depu-
ty Sheriff Huss of the Old Pueblo who
is here attending the federal court, has
decided to stay over Sunday. He in-
tends to devote the week end to pleas-
ure visiting all the places of interest
in the vicinity of Phoenix.

MARRIAGE LICENSES ISSUED—
The following parties were granted
marriage licenses yesterday: Manuel
Ramirez and Maria Espinoza; Frank E.
Wetterman and May Woolf; Jose M.
Ortega and Francisca R. Dominguez.

PROMISSORY NOTE SUIT—Fardon
B. Wenden has filed a suit to recover
the amount of a promissory note given
by Kimball and Cassa Pomeroy. The
amount asked for is \$1525 and costs.

CHEMICAL AGAIN WORKING—
The chemical wagon of the Phoenix
fire department is again in commis-
sion after having been thoroughly
overhauled and given a new dressing
of bright red paint. The apparatus
is now as good as new and presents a
very natty appearance.

OBSTREPEROUS KID FREED—
Lathan Hudson the negro boy who
bounced a bottle on the head of his
teacher, Professor Cowan because he
was kept in after school, appeared be-
fore Judge Phillips yesterday and was
allowed to go free on condition that he
mend his ways. The boy promised.

HONORS FOR OLEA—Teodore
Alea, deputy sheriff, notary public and
various other things has been chosen
by the Arizona members of the Frater-
nal Brotherhood, the state delegate to
the national grand council which is to
meet in Los Angeles during next
month. There were five candidates for
the job but the votes came Theodore's
way.

BACK TO LORDSBURG—Rev. W.
Sherlock Huggett of Lordsburg, N. M.,
who for the past week has been visit-
ing his son Ira H. S. Huggett of the
Republican and his daughter Miss Lil-
lian Huggett of the McKinley school
left last night for his home in Lords-
burg. Before leaving he expressed
himself as surprised and delighted at
the up to dateness and beauty of Phoe-
nix and the surrounding country.

TROUTMAN INJURED—Leo
Troutman, who returned a few days
ago from an extended visit at his
former home in Missouri, met with a
painful accident yesterday. He was
taking a cot on a buggy to his resi-
dence in capital addition, when the
outfit fell across his left arm disloca-
ting the bones of the elbow. He
will be obliged to carry his arm in a
sling for several days.

MARRIED, MAYBE—Helne has
done it! At least he's made a good
start. He is one of Kane's best bar-
bers and his partners have his word
for it that he has felt it coming on
for some time. Yesterday he took out
a marriage license on which are the
names of Frank (Helne) E. Witterman
and Miss Arlie May Wolf. The simple
record of these names in the probate
judge's office is the only clue to "what
happened to Helne."

THE DEMORALIZING FLOOD—
Mr. Balke of the Big Curio store
received a reminder yesterday that
the floods in Ohio had demoralized
business and the mails. The re-
minder came from J. Payson Brad-
ley, of Boston, Mass., who has or-
dered an Indian blanket sent to
Marietta, O., who said: "Yours of
March 24, enclosing bill for one In-
dian blanket sent to Marietta, O.,
came to hand in due season, but on
account of the flood in that section
of Ohio, I was obliged to wait al-
most two weeks before hearing of its
arrival. I now have word that it
has come to hand and is very satis-
fying to the party to whom it was
sent. I therefore hand you en-
closed check to the order of your
company for \$18.85 in payment of bill."

SHOWS DENTAL FILM—Two
free runs of the Phoenix Dental So-
ciety film were given at the Empress
theater yesterday afternoon for the
benefit of the school children. The
first gathering of the children was
at 2:30 o'clock part of the schools
having been dismissed early for the
occasion. A second audience of chil-
dren filled the theater at 4 o'clock.
The film was very interesting as
well as possessing educational and
hygienic value. The particularly in-
teresting series shown were those of
the visit of the official dentist to
the public school. The examinations
were made under the eye of the
moving picture camera and close
range pictures were taken of the
mouths of the children showing the
decay resulting from neglect of the
teeth. And between each scene came
instructive advice.
